Description **Please pray for little Graham who was born prematurely at 1 lb. He is fighting for his life and is suffering complications with infection and it is looking grim. He is 3 weeks old and we know, miracles are no big deal for our M ighty God...please agree with me, that Jesus reach down and touch this precious child and heal him and give this sweet family the miracle they need. It is so urgent -the family and baby are hanging by a thread. Please -they need us to pray right now and believe and intercede on their behalf.**
